Education

UI Design Certification
(Specialisation in Front end Development)
Career foundry, Berlin Germany
11/20 - 08/ 21

PGD Photography
British Academy of Photography, London.
02/16 - 04/17

Certified Network Technician
Pitmans. Croydon College
02/08 - 02/09

B. A (Hons) Fine Art (Graphics)
University of Ife Nigeria
09/77 - 09/ 82

UI/UX designer with background in digital print, Photography and video editing.

Work Experience

User Experience Designer - 08/21 – present
Designed four projects with Career foundry during UI Immersion training. Conducted research, SWOP analysis of competitor products and developed user centric designs to make the customers journey more effective. View projects **here**.

Media and Communication
akinoguns productions
Croydon London – 06/2013 - Present
Freelance events videographer and photographer. Dedicated to the recording of lifetime events digitally in print and on DVDs/BlueRay (on a part time basis up till 09/2020).

Digital Print Finishing (Field) Engineer
Morgana Systems Ltd.
Milton Keynes - 07/2011 – 09/2021
Reduced customer complaints by bringing my design skills into to play to resolve non-equipment related production issues.

Prepress Technician (Field support)
Pressteck Europe Limited
West Drayton, London. 07/2006 – 07/2011

- Instrumental in the Quick turnaround of equipment breakdown support with the introduction of remote diagnostics with remote support via team viewer.

- One of the lead digital workflow remote software problem solvers. Fewer engineer call outs as design related problems were solved remotely.

- Conducted customer workflow training and end user updates training on digital print design software colour calibration and software/hardware colour profile creation and application for print.

Business Unit Manager - Prepress
Heidelberg Druchmachinen (West African Subsidiary)
Lagos 1999 – 2006.

- Was Heidelberg's most successful prepress sales manager in the Africa during the period.

- Ability to empathise with reluctant end users led to the sales of more Heidelberg scanners and newly introduced digital print equipment than any other print manufacturer.

- Was given added responsibly of managing all Heidelberg Print consumables due to success achieved in introducing new technology to clients.
